NEW LIFE YOUTH NZ

ADVANCING THE KINGDOM WITH PURPOSE & PASSION

22-12-2012

Hi New life Youth Pastors and Leaders!

I love the Christmas season, this is season that we are reminded that God so love the world that He sent his only son...

Jesus didn't come to bring the same old religion, he came to inject hope, breakthrough, healings, new vision, miracles, strength and victory all wrapped up in His unquenchable love for us.

And who did we see who He was? An irrelevant, distant, legalistic, angry disciplinarian?

No, we got to see who God really is! When God stepped out of the heavens wardrobe we saw that God the father was not bent on teaching us a lesson we will never forget, but rather on showing us that no matter what we have done, or who we are we can never out of the reach of His love.

I love it that whenever Jesus touched some one's life; their story was suddenly rewritten and they had a much better ending.

Something that was on Jesus, got on them. His grace is transferable. His love is tangible.

The leper asks "If you are willing you can heal me. Jesus replies I am willing, be healed! Jesus is not only able, but so so willing.

He has the power to change our status, if it is anything less than freedom!

Merry Christmas.

Merry Christmas

Deb and I have just recently ministered at the Jesus Family Centre young adults camp Sydney. We had an awesome time of ministry and connection with a fantastic church family. Such cultural diversity!

I JUST WANT TO SAY THAT YOU ARE TOTALLY FANTASTIC!

Thank you for pouring out all the love that you have to the youth in New Zealand (and beyond), and thank you for your weekly commitment to your youth ministry, for hosting mid week leaders meetings, and for being apart of all the other projects that go on in your local church and community..

You have added so much value to the world around you and having you as a youth pastor (or leader) in our nation is legendary!

Hearts have been healed and families have been impacted because of your surrendered life.

So let's celebrate all God has done this year and have a great Christmas holiday (and relax Ahhhhhhhhh).

Much love
Glen, Deb, Abby Aysha, Tristan and Brianna.
